DEDICATION

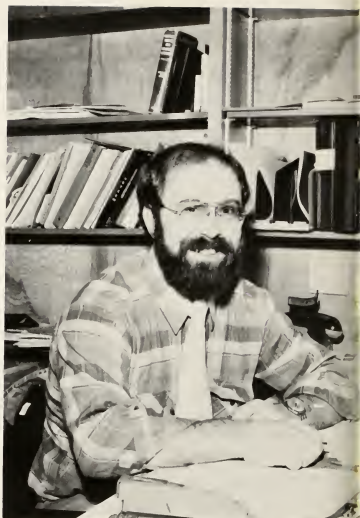

"BUZZ" BRAY

LARRY BRIGGS

What could anybody write that would possibly convey the **true** feelings about a man who has shaped the lives of the Senior Class for nearly four years? He is a person famous for his guidance, wit and persistence (almost to the point of nagging; almost) **Everett "Duzz" Bray** has molded our minds and our schedules to serve our needs, while constantly encouraging us to strive for better. A Duzz-of-all-trades, he can be seen either on the ice as coach, at the Common Market peddling pumpkins or simply putting away (on who knows what) in his office. When asked why he does what he does, he emphatically replied, "Kids are fun." Men of profounder wisdom have lived but never one of greater sincerity. We've been lucky to have been blessed with an individual who undertakes his occupation with such determination.

Duzz is an exceptional counselor, hockey player and athletic coach, but his most unrecognized talent is farming for which he won the Award "Man Of Standing in His Field." Thanks Duzz!

"Cover a class, rape an ankle, set up the whirlpool, lend a hand — he is available and always does it with a smile." He's dedicated to his work, sensitive to the needs of others, and is loyal and honest in all his dealings with people.

Larry Briggs is . . .

- . . . Mr. Versatility . . . "You name it, he'll teach it"
- . . . the World's greatest animal trainer - alias Lacrosse coach, Squash coach and 9th grade Football Coach.
- . . . an individual who has a difficult time saying "no" to anyone's request
- . . . a person who exhibits by word and deed tireless efforts for his students and colleagues.
- . . . willing to accept new challenges
- . . . "definitely the type of teacher and coach that I would be most happy to have my son or daughter associated with in the class or team experience"

WANTED

DEAD OR ALIVE...

FACULTY

Throughout the year, the High School Staff has, in desperation and in vain, assigned us long papers over vacations, given us 1-day to do 2-day projects, failed us for being late to class, and conspired together secretly to give us their final tests on the same day. In view of these and other criminal injustices, the High School Staff is **Wanted** in 5 states, 3 counties, and one school.

JUNIORS

Being a Junior is not as simple as it is made out to be. First of all, as we are traditionally the most active class in the school, we have to put a lot of effort and energy into such things as fund raising events, dances, etc. We also need to begin our long quest of finding the right college or employment. As we are not yet Seniors, we are not given the respect and top priority that they are. Unlike the Sophomores, the juniors are not treated with the understanding and sympathy that comes with adjusting to a new environment. And yet we keep up our sense of humor. "Why?", you may ask. Simple. We consider our life a challenge. But we could always use a little extra support. Have you hugged a Junior today?

What is the greatest impression we students at Amhurst Regional High School make on outsiders?

Is it our wacky 8 day schedule, where H comes before G:

Is it the way we wear our hair, from Dorothy Hamill variations to

the punk rock look?

Is it the way we probe for true meaning during class discussions?

BOOSTER DAY '79

Participation was the key to the extreme success of **Booster Day 1979**. Not only was the traditional competition among the three rival classes stronger than ever, but entirely unpredictable (resulting in such situations as identically decorated halls and P.S.A.T.s on the day of the homecoming game.) Overall, Booster Day resulted in the showing of what true school spirit and dedication can be — if we want it to be.

DONKEY BASKETBALL

Hey, I know she's not the best looking, but I love her anyway.

No, Dommir, I'm supposed to pull you!

Oh mighty Zeus!

The Midnight Cowboy

We Donkeys stick together

Floor loose and fancy free

Are you sure we're going in the right direction?

Now, let's see, am I supposed to throw it or eat it?

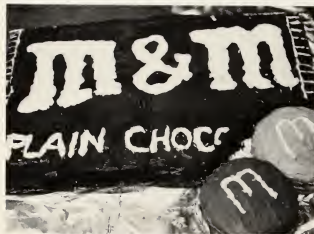

I always get crap from my students, but this is getting ridiculous!

The town ain't big enough for the both of us.

CAKE A

There was hot competition between students and faculty at this year's **Junior Class Cake Auction**. For those smart enough to have skipped breakfast, the event was well worth the wait. For the rest of us, who didn't get our appetite back until Turkey Time, the cake sale holds mixed memories.

UCTION

THE GOLDBUG STAFF

We of the **Goldbug** have attempted to sum up the entire year in a single volume. We've tried to capture as many of the unique personalities, expressions, and happenings that have been so much a part of our daily lives. We've thought, edited, revised, and rethought our ideas for the purpose of presenting you with a book of your own memories. Enjoy.

At any moment in the year, the things that concern the **Theatre Company** sound like the endings of old radio serials: will the light-board survive another week? has anyone seen the cash-box? what-ever happened to our hammer? will the facial hair arrive from Boston in time? Running on empty is the **Theatre Company** way.

Still, huge numbers of students have participated. Over 75 contributed their talents to Shakespeare's **Measure for Measure**, and the cast for **Oliver!** was almost that large. Other productions included Thornton Wilder's three one-acts, a program of Osip Mandelstam's poetry, and Chekhov's **Three Sisters**. Almost 20% of ARHS students took part in a Theatre Company activity. Our leaders, Nora Schwartz, Ellen Carter, and Sasha Page, planned it all. And with a rising group of accomplished techies in the sophomore class, the Theatre Company is thinking big about the future.

The group put on numerous bake sales and advertised "serfing" to earn money for what else? a three week trip to Russia in January.

But they aren't stopping there. Future activities include another trip to Boston, New York City, and participation in "High School Russian Day" at UConn.

ANN MEADE

A Final Word(s) to the Graduating Class of 1980

I trust I voice an opinion of the consensus when I write that: we are a great bunch of ADULTS. I do not use that word in vain, for I have silently witnessed the growth of each class member into an individual personality. Between us Frisbee Fanatics, All-Around Athletes, Musical Maniacs or just "plain 'ol folk", there is a common bond of respect that adheres. We have even strived towards perfecting our assorted talents. We are able to be proud of the universal slope of diversity that has slowly developed into - us.

When that "day of days" arrives on June 12, we shall experience a sense of overwhelming elation and accomplishment. I for one will also be distressed at the termination of a complete stage of my life, one that we have known solely since we were so very young, where did the time go?!! We are about to discover an absolute world of limitless opportunities. I sincerely hope that none of us plots a false course.

So, let's expect to meet again in ten years, maybe twenty or even thirty! Perhaps eternally! What can I say except that you're my friends and I love you all for being such.

So long, It's been REAL!!

- A forever friend

We were a very talented **Football Club**, which featured one of the best backfields W. Mass. has ever seen. We won our first game handily, but lost our next three. People were frustrated, yelling at each other and not going to practice. But because of "pride", fine coaching and installation of the gauntlet by Cap'r. Cole, we managed to win five of our last six games and finish the season with a 6-4 record. In the process linebacker Bill "Mr. Quick" Kelley and running back Darryl "Porky" Fleming received All-League awards.

We had pride in ourselves and what we did. We started the weight program. All who played will never forget all of the fun we had on and off of the soccer field.

The Girls' Field Hockey Team had a successful season of fun, laughter, hardwork and "TUNAS". Our first year in the Valley Wheel was a victorious one, as we captured the league title undefeated with a record of 9-0-3. Moving on to Western Mass ... 11-13 ... enough said. Highlights of the season include, "Laura where were you Sunday," ... "Bummer Bers" ... Jen and Leah whale em! ... U-G-L-Y ... "Your turn Caroline and Lisa" ... "The rain in Spain stays mainly on the plain" ... "Marge what googly eyes you have" ... "and those horns, Brook" ... Peggles and Mary's poems ... Time out for water Polo ... "Who is that outer-space martian in our cage?" ... Frita's Beauty Parlor and Carol "Sig" as her only customer ... Denise's homerun hand stops ... Star Spangeling ... Those knees, Sue ... Thanx S.G. from Rocky, "My, Laura what a nice voice you have" ... Gwenne's Gloves and Deb leaves saluting Carol from the left.

We didn't kick ass in W-Mass, but we had a hell of a time.

Volleyball - 1st r (l-r) N Woodard, P Stuberaski, D Kunderl, L Giard 2nd r (l-r)
A Brase, H Warner, W Wolf, N Shaw, W Holcomb.

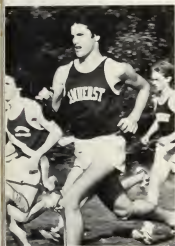

Our Volleyball Team spiked through the season with the greatest of ease. We won all our games excluding 2 losses because of off days. (Nobody's perfect). We played Turners Falls and Frontier in the W. Mass. Tournament. This year we took first and the trophy. We then worked rigorously for weeks to get into shape for States. On Feb. 17, we faced up monstrous players who dampened our dreams of ever winning. Although we lost, we felt grateful for the experience and for the good times we could always look back on. Thank you, Miss Giard!

Girls Cross Country - 1st r (l-r) A. L. Jung, M. Sanchez **2nd r - J.** LaFreniere, A. Dawles, S. Archer, R. Piten, B. Wilson

The **Boys Cross Country Team** continued its dynasty by ending undefeated in the Valley Wheel League. The varsity team was led by senior standouts Gordon (W. Mass. Champion), Richards (All W. Mass.) and Marlack (W. Mass. Medalist).

Highlights of the '79 season: Shamus' confinement at Providence, Ishe's rendition, Will's comeback, and the 24 hour marathon run.

Mother Fufu LaFreniere left her tiger lair to coach the **Girls' Cross Country** team again. But this year she had to get used to a smaller team. She worked them harder, hoping to make up for the loss, but still they barely qualified for states in W. Mass. They again had 1st place finisher, Beffy, who along with Mardee, made All-W. Mass. Other super efforts were made by Sharon, once she recovered from the pulled muscle in her toe; Sue, who has yet to get rid of those blasted shin splints; Roxie (if she'd only learn to keep Fido away from her shoes, and remember to set the alarm); Jana, who'd rather be on the boys' team; Anna (if she'd only gotten those blessed orthotics earlier) and our team spirit, Adrienne. With only one senior (we'll miss you, Sue!) and much talent left hidden, we'll leave Fufu to bring it out next year, so stay tuned!

V Girls Basketball - l-r: D. White, C. Progulskie, K. Kierner, L. Scott, Tr-Capt. C. Clapp, W. Wolf, Tr-Capt. N. Jackson, D. Chisholm, D. Fleming Middle Tr-Capt. J. Gray

This year's **Girls' Basketball** team has continued its winning by going undefeated in the first fourteen games of the season. With eight seniors on the squad, this is the year they hope to take the W. Mass. and State titles.

Quick guards for the team are Jen Gray, Debbie White, and Denise Fleming. They can steal the ball and score before the other team even knows what's going on. Laura Scott, Wendy Wolf, Debbie Chisholm, and Nadine Jackson are powerful inside, with Cindy Clapp, Kate Kierner and Carol Progulskie accurate shooters from the outside and in the key. Coach Missy Shea boasts a 55-3 winning record in the past 3 years owing to her good coaching abilities.

One of the highlights of the season was when Nadine reached 1000 pts., the first girl to reach that plateau.

JV Girls Basketball - l-r: J. Chevan, (Tr-Capt.) L. Jones (Tr-Capt.), A. White (Tr-Capt.), R. Sheerman, R. Blavier, C. Brown, D. Causines, D. Thorton, T. Mercer, R. Jackson, M. Haladay

Led by Tri-Captains Chris Yordes, Darryl Fleming and Gary Mann, the **V. Boy's Basketball Team** won the Valley Wheel with a record of 12-2. We compiled an excellent 18-2 mark overall, earning a #1 seeding in the Division II W. Moss. Tourney. These Hurricanes have a bright future.

Other players involved with providing us with an exciting year are Byron Gobnel, Mike Gilbert, Terry Doppich, Doug Drake, Pedro Rios, Scott Mallory and Vernon Williams.

Wrestling - 1st r (l-r): D. Rosen, T. Harti, P. Boucher, Capt. J. Thelen, Capt. R. Powers, J. Lewison, T. Lewison, B. Suzuki. 2nd r (l-r): G. Waldman, S. Mercer, Asst. Coach R. Boucher, T. Fata, T. Mercer, G. Fata, P. Lazarus, J. Banner, Capt. H. Banner, Coach G. Scanlon, S. Pusey.

This year's **Wrestling Team** showed a lot of potential in the preseason and during the regular season. But, because of becoming Large School Division I our opponents were a bit more than we expected. Although we did pull out a 5-8 record which was much better than anticipated, we did have many disappointing as well as triumphant moments. We were coached by Greg Scanlon and Roger Bouchard. The team was led by Capt. Jeff Thelen, Russ Powers, and Howard Banner. At this point in time all our preparations and hope is set for upcoming W. Mass., in which we should have some good outcomes. A lot of hard work and effort was put into this year's season. It took a while to get moving and in some weight classes we really got rolling. Other wrestlers are working hard for W. Mass.

Looking back into the season we will never forget these moments: Kent's flowing rears, masko Tony Fata, Harti's hangover, Perche's first shove, Dushis K.O., Tech's Coach, racial conflicts, Lewison's big mouth, Blake's perfect world, Phil's ego, Mercer's disciplinary problems, Stowell's new shoes, Stuart's lousy music, Gan's H²O dent, Jim's wiry body, our female wrestlers, Coaches Question "ladies are you here to wrestle or for pleasure?" Hard-on, How-weird, Jeff's bloody noses, Russe's affair with frichofers and in reality what kept half the team running, I mean running was a burrito.

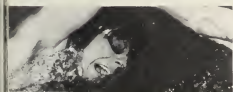

Ski Team - 1st r (l-r): A. Klack, C. Raskind, *D. Manning, *E. Nordin, J. Holland, D. Kundert, B. Novak, S. Nordin, A. Manning, Coach; J. Cushing. 2nd row (l-r): M. Prichard, P. Kirk, A. Stein, B. W. Mass. was the high point of the **Girls' Swim** season. The medley relay team of Deb Chisholm, Anne Fredrickson, Les Frazier and Karen Aho finished third. In spite of the 5 a.m. practices, we did well, moving up to the top league this year. With many of the best swimmers graduating, we'll be hoping that Karen Clark, Holly Damerall, Leslie Frazier, Terry Bak, Inna Sreubrovskis, Renee Bunker, Kim Poli, Karen Aho and Darlene Chisholm will be able to keep afloat next year!

Gymnastics - 1st r (l-r): F. P. Lamaureux, K. Mallory, S. McConnell, **2nd:** Kim, C. Jackson, C. Weston, B. May, D. Chisholm, B. Brooks, A. Lyung, T. Currin, L. Smith, L. Hunger, C. O'Shea, **3rd:** T.R. Culbertson, M. Denander, C. Holland, M. A. Pan, K. Lamaureux.

The **Gymnastics Team** led by Seniors Parry Lamaureux, Lisa McLellan and Lucy Smith, won the girls league division 7-0 and placed 10-3 in the W. Mass League. We had an outstanding season which was well deserved with strong performances from Tina Currin, Sherri McConnell and Darlene Chisholm as well as Kristen Mallory, Bonnie Brooks, Celia Jackson and Mary Denander. We will always remember the season as being one of the best and most exciting not to mention the wild times at away meets! We succeeded in getting new team leaders and warmups that finally represented the school colors.

Squash Team - 1st r (l-r): S. Britt, C. Colahan, K. Lee **2nd r (l-r):** Coach L. Driggs, A. deSherbinn, S. Sullivan, T. Timmerman.

Rancall, A. Theilman, P.J. Plourde, T. Shearer, J. Cushing, B. Lane, B. Thorne, B. Smith, L. Paul, P. Warring, B. Madntash, Ass't. Coach J. Ruder

The Hockey Team still featured some old favorites like: "Lagger," "Drooper", "Shart and Sassy" and "Potent Sack". Our physical play was led by team assassin "Yukon Jackson" and by the big straps of "Captain Coleby", "Drooper" and their apprentice Rich Lashway. We had a balanced team led by high scorers Sraneham, Plourde and Lane and the fine work of our second and third lines. The tight, hard hitting defense was anchored by veteran Jeff Kittrell and friends as well as by great goaltending.

All of the players would like to thank our fans - who are definitely the rowdiest ever seen.

THE TRI-S FORMAL

How much a part of our lives the Mother Goose Rhymes once were!
Now they're back again, to give you a final glimpse of the good old days.
They have changed slightly since you last read them, but they are, and will remain, our hoppiest memories of the past . . .

Humpty Dumpty sat in class,
Humpty Dumpty couldn't burn glass,
All the school's chemists and all the school's men,
Couldn't make Humpty use a Bunsen again.

WINTER PLAYS

The Theatre Company spread itself over two winter productions, the massive *OLIVER!*, with a cast of 70 people and one dog, and an ambitious rendering of one act from Chekhov's *THREE SISTERS*, in which a cast of 17 learned two roles apiece, and then shuffled itself through a half-dozen performances. Mark Gerstein and John Maggs directed the musical, Charles Lehrer and Karl Ryavec directed set construction, and everyone learned to speak Cockney. The mid-winter musical is already fixed as tradition — another tradition may have been started this year with a series of one-act-play exchange performances in which ARHS, Northampton, and South Hadley all visited one another's school to give their plays.

The Who in Cincinnati

Gone, but not forgotten

The tall blonde man with the one black radio

Why not? I don't have to drive home!

Maybe next year you can wear a field hockey jacket

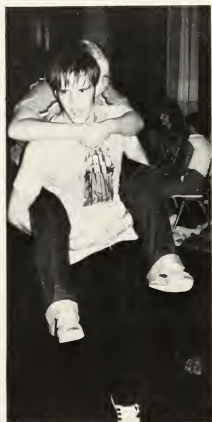

The thing I like about school is I can catch-up on my sleep

Hey c'man guys, I can't concentrate!

As long as I don't have to look at it, I'll be alright!

Conserve energy - carry a friend

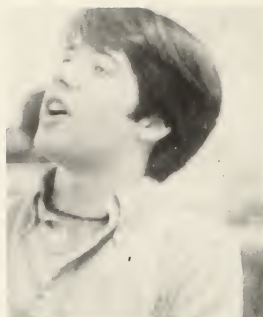

The hat's a start but a paper bag would do the trick.

What do you mean if I don't go you'll pop my balloon?

It takes o' lickin', but keeps on tickin'

I love you too, dear

Nor **another** "who" freak!

Now boys, there's enough of me to go around

... and I want a M-16, a case of Dud, and a one way flight to Iran ...

Goin' my way?

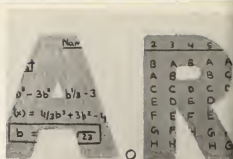

He did **what?** With his **what?**

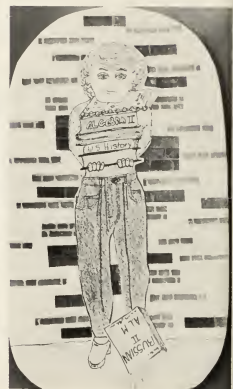

Arnold Palmer, warthout!

Yukon Jack

Language teachers do it with foreign techniques

What do you mean you can't find your bathing suit?

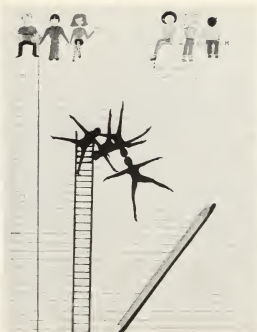

What do you mean Hugh's not here?

Pat Leighton discusses sheep in his infamous full-moon physics lecture

H.S.

While my guitar gently weeps.

promise them anything

Would you buy a used student from this man?

This June, a special person is retiring after teaching at A.R.H.S. for thirty-nine years. Miss **Betty Jane Donley** has consistently inspired her students, demanded excellent work, provided intellectual stimulation of the highest order, and always shown caring which went beyond the demands of the classroom. Whether teaching First Declension Nouns or Aeneas' travails, Miss Donley's enthusiasm brought the Classics to life. She has been an inspiration to generations of students; we have been privileged to have her as "Magistra Nostra."
